Re: MUR 6734

Dear Mr. Jordan:

I am writing in response to a complaint filed with the Federal Election Commission (the "FEC") against Mr. Timothy Travis, among others, for alleged violation of Federal Election Campaign Act of 1971. By a letter dated June 4, 2013, we informed you that we were taking steps to obtain refunds from the recipients of contributions made by Mr. Travis to certain federal candidates in order to bring Mr. Travis' total contributions for the 2011-2012 cycle under the applicable limit. We have been working diligently with the candidates' offices and are in the process of obtaining these refunds; however, it appears that we will be unable to complete these corrective actions by our self-imposed deadline of June 18, 2013. We want to assure you that we are continuing our efforts and should have the corrective actions completed very shortly. We will immediately notify you of same. In the meantime, please contact me with any questions.

Sincerely,

ROTHGERBER JOHNSON & LYONS LLP
